## I. INTRODUCTION

- a. The County Treasurers' Association of Pennsylvania ("CTAP") is soliciting proposals from interested firms or individuals for the provision of membership association management service. The questions contained in this RFP will apply to all firms or individuals interested in responding with the intent of providing these services and will also frame the specifications that will be used to evaluate proposals. Please respond completely and concisely to all the information requests in the RFP in the order and format requested.
- b. Proposals must be received no later than 2:00 PM on April 3, 2026. One (1) electronic copy of each proposal is to be submitted. No hard copies will be accepted. The proposal must be delivered via email with a PDF file attachment to Alexander Glassman, Esq. at [aglassman@rudolphclarke.com](mailto:aglassman@rudolphclarke.com).
- c. CTAP will consider procuring membership association management services from a single firm for the period from hire through July 31, 2028. CTAP reserves the right, upon mutual agreement with the selected firm, to extend the agreement period for extensions of up to two (2) years. CTAP reserves the right to terminate the agreement with ninety (90) days written notice.
- d. CTAP has the right to consider proposals accepted after the above stated date and time. All proposals become the property of CTAP and will not be returned. All costs incurred by the respondents in the preparation and submission of a proposal shall be the sole responsibility of the respondent. Proposals and communication may be subject to the PA Right to Know Law except for proprietary information or other information protected by law.
- e. CTAP may select a proposal other than the lowest cost provider.
- f. CTAP reserves the right to cancel this RFP at any time and to reject any and all proposals submitted in response to this RFP, if CTAP determines such action or actions to be in the best interest of the membership. CTAP also reserves the right to request clarification of any submission, modify or alter the scope of services and solicit new submissions, reject any or all submissions either in whole or in part, and waive immaterial irregularities.
  - CTAP will post both the RFP and any subsequent Addenda to our website at <https://pacountytreasurers.org>. Proposers are responsible for ensuring they read any Addenda.
- g. Applicants may make inquiries for clarification of technical or administrative information related to this RFP to the designated contact. The deadline for such inquiries is March 13, 2026. The designated contact is:

Email: [aglassman@rudolphclarke.com](mailto:aglassman@rudolphclarke.com)

***All email inquiries should have the subject heading: CTAP RFP***

## II. ABOUT CTAP

The County Treasurers' Association of Pennsylvania ("CTAP") was formed via state statute as a membership association for county treasurers throughout Pennsylvania. Pennsylvania has 67 counties.

*CTAP Mission: "To bring into closer association and cooperation the County Treasurers of the various counties, to secure more uniformity and cooperation in the conduct of their offices; to improve their services to the public; to discuss potential legislation with Senators, Representatives, other state Associations, or other governmental agencies; and for the general benefit and mutual welfare of the different County Treasurers' office and of the citizenry of the Commonwealth."*

*CTAP Vision: "The CTAP is committed to promoting excellence, professionalism and collaboration in the field of treasury management while safeguarding the financial interests of our communities."*

As of July 31, 2025, CTAP has over 60 paid county members. A list of all counties, their statutory fee, and whether they paid their membership 2022-2025 is included in Appendix A.

CTAP has no employees. The work of the organization is carried out through a combined effort of volunteers and the board. Currently both the Board Secretary and Board Treasurer receive annual stipends of \$6,700, paid quarterly. CTAP has a contracted Solicitor, Alex Glassman, of Clarke Gallagher Barbiero Amuso & Glassman Law. The board meets virtually every month for an hour-long meeting.

### In-person Convenings

Annual Conference: Each year the annual conference is held in a different region of the state (rotating: Northeast, Northwest, Southeast, Southwest) and one or two local treasurers volunteer to host with assistance from other treasurers in the region.

- Historically, conference organization has fallen heavily on the hosts and the CTAP Treasurer.
- The Conference is typically Tuesday 4pm – Friday mid-morning of the second week of June. The 2026 conference will be the third week of June, due to location availability.
- The Conference has an Executive Board meeting immediately preceding and immediately following, at the conference location.
- Appendix B includes:
  - Vendor Solicitation materials
- Appendix C includes:
  - Agendas for the four prior seminars
- Appendix D includes:
  - CTAP financial statement comparisons for 2019-2025
- Appendix E includes:
  - Conference Booklet
  - CTAP Directory
  - CTAP By-laws
  - Executive Board Meeting Agendas

Summer & Fall Seminars: Each April & October we host a one-day seminar, 8am-3pm in State College at the Penn Stater Hotel. The upcoming seminar will be held on April 22, 2026, from 8am to 3pm with a sponsored reception on April 21, 2026.

- The Executive Board meeting for dinner (5pm) and a meeting (6:30pm) the evening before at the hotel restaurant and then a meeting room. The Board stays overnight at the expense of the

Association.

- The seminar day typically consists of several 30-minute or 60-minute sessions with representatives from areas such as Dog Law, PA Hunt/Fish, financial institutions, etc.
- Lunch at the on-site restaurant is included.
- Historically CTAP has covered the cost of the seminar.
- Some Treasurers/Deputies optionally stay over at their own/County expense the night before.
- There has been some interest in looking at whether the Spring/Fall seminars should be longer and/or how to select the content.

We are looking for a firm that will provide services listed in Section III using their own staff members who specialize in certain functional areas. The provider should include the estimated hours and staffing. We expect a significant majority of that time spent in January-June, in preparation for and execution of the Summer Conference.

A 10-member Board of Directors leads the organization. The Board has the ultimate responsibility for all CTAP matters including the establishment of annual and long-term goals. The goals and related tasks are often assigned to the various standing committees designated in the CTAP Bylaws (Legislative (PSAECO) Committee and Dog-Law Committee). The Board has also had other committees such as

- Audit Committee
- Hunt/Fish and Boat Committee
- Pension/Finance Committee
- Small Games/Bingo Committee
- Hotel Tax Committee
- Nominating Committee
- Right to Know/County Code
- Tax Collection Committee
- Conference Committee

From time to time, the Board will also develop temporary ad-hoc committees to carry out a specific function (e.g., By-laws committee in 2023-2024). The volunteer effort of these committees is essential to CTAP delivering on its mission and vision.

Despite the financial and membership growth success, CTAP faces some challenges.

- We want to improve our educational offerings and formats to be more engaging, and accessible for members and their staff.
- We want to properly leverage sponsorship opportunities.
- We want to increase communications with all stakeholders, especially members and vendors/sponsors.
- We want to shift much of the annual logistics and conference planning from volunteer treasurers to the outsourced management. While there is still an interest for local treasurers to be involved in planning, certain segments would be moved to the management organization, including:
  - Vendor management and communications
  - Updates to websites
  - Communications
  - Layout and preparation of the materials, signs, etc.
  - Staffing during the event
  - Handling contracts
  - Handling and tracking registrations
- Volunteer hours have been key to the success of our organization so far, but we believe that with professional management support, our volunteers will better be able to focus on collaboration, advocacy, and education.

- The Board recognizes the need for long-term planning but needs help to grow beyond an annual focus.
- The Board also acknowledges it lacks the time and expertise to monitor and quickly respond to changing trends in membership organizations.

We hope to address these and other challenges as we move forward.

### III: SERVICES REQUIRED

Following is a list of services CTAP is generally seeking. However, CTAP is very open to considering alternative services and structures. Applicants are encouraged to propose additional services that are not listed below if, after understanding the organization, the Applicant believes CTAP would benefit from such services.

Applicants choosing to exclude any of the services listed below should clearly state so in their proposal along with a brief explanation of why the service has been excluded. A comprehensive list of all services will be incorporated into the resulting Agreement with the selected firm.

Any proposed services that will be performed by a subcontractor of the firm or individuals should be noted, and any additional fees that will be charged by the subcontractor must be disclosed.

- a. Association Management: Including, but not limited to, strategic planning, financial management, audit coordination, governance, document preparation, file management, board meeting coordination, general ops, etc.
- b. Conference & Seminar Management: Including, but not limited to, venue selection leadership and support, contract negotiations, speaker coordination, program development, onsite management, timeline development/tracking, exhibitor & sponsor management, registration, logistics, etc.
- c. Marketing: Including, but not limited to, monthly updates to members, social media engagement, website management, email communications, promotion of conference, etc.
- d. Membership Support Services: Including, but not limited to, regular maintenance of membership directory and database, renewal processing and management, recruitment and retention efforts, annual paper directories, etc.

All associated charges for these services must be illustrated in the completed fee schedule in Section VI.

#### IV. OVERVIEW OF RFP PROCESS

- a. CTAP will receive proposals from applicants through April 3, 2026 at 2:00pm. Proposals will not be opened or reviewed prior to the deadline.
- b. Proposals will be reviewed by a subcommittee comprised of members of the 2025-2026 CTAP Board of Directors. The evaluation will center upon the applicant's qualifications, experience, expertise, and fee schedule, among other considerations.
- c. The review committee may select up to three (3) finalists for interview. Interviews are expected to be scheduled for the last week of April and will take place virtually.
- d. After the interviews, a recommendation for selection shall be made by the review committee to the CTAP Board of Directors for approval.
- e. It is anticipated that the CTAP Board of Directors will make a final selection by May 15, 2026, subject to change.
- f. A formal start date will be determined mutually through discussion between CTAP and the selected firm or individual. As stated in Section I(c), the initial appointment is anticipated to run through July 31, 2028.
- g. Planning for the CTAP 2026 Annual Conference (June 16-19, 2026 in Coudersport, PA (Potter County)) is well underway under the lead of Potter County Treasurer Krista Miller. We anticipate the new vendor/individual will supply supplementary assistance in advance of the conference and in-person support during the conference, if feasible given the contracting timing.

## V: PROPOSAL QUESTIONS

The proposal must respond to each item below.

- a. Firm or Individual Qualifications and Experience:
  - a. If a proposing firm, briefly describe your firm, including the year it was founded, ownership structure, location, number of employees or subcontractors, and any affiliations with other companies or organizations.
  - b. If a proposing individual, please attach your resume or CV, including your location, and any expectations about working with subcontractors.
- b. Staffing: List the personnel you propose to assign to this relationship and their proposed responsibilities. [For applying individuals, this will be your individual information.]

Provide brief biographical information on each individual, including their positions in the firm, education, training, designations (if applicable), years & type of experience in association management, major clients and experience. Please highlight experience working with groups that may be similar to CTAP. Be sure to indicate which assigned team member will have primary responsibility of servicing this engagement.

- c. Similar Engagements with Other Membership Associations: List the five most similar engagements performed in the last five years that you feel are comparable to the engagement described in this RFP, and indicate the years covered by those engagements. For each of the five clients listed, provide the primary contact's name, contact information, and a link to their website, if applicable.
- d. Onboarding Approach: Explain how you or the firm will onboard CTAP to perform the required services.
- e. Ongoing Management Approach: Explain how you or the firm will manage CTAP moving forward. Use specific examples of how your firm manages membership associations.
- f. Work Samples: Provide samples of any work with another organization you feel would help demonstrate the value your firm can bring to CTAP. This can be an actual copy of work, a redacted copy, or a written explanation of something.
- g. Other Factors: Describe any factors that are relevant to your ability to successfully perform this engagement. What do you believe sets you apart from the competition, and what unique value-added services could your firm provide?
- h. Conflicts of Interest: Disclose all potential conflicts of interest, specifically any relationships with any member of the CTAP Board of Directors ([listed here](#) (typically there is also an Immediate Past President, but we are currently without)).
- i. Litigation: Within the last five (5) years has you or the firm, or an employee of the firm, been involved in any business litigation or other legal proceedings, including arbitrations, relating to your consulting activities?

If so, provide an explanation and indicate the current status or disposition.

- j. Insurance: What forms of insurance does the firm have against errors & omissions and/or fiduciary liability? The firm shall furnish CTAP with a copy of a certificate of insurance as evidence that this type of coverage is in place.
- k. Contact Person: Provide contact information in case it is necessary for CTAP to request clarification or additional information related to your proposal.

## VI: FEE PROPOSAL

Please provide your fee proposal, as well as the number of hours annually that your fee proposal includes. Primary fees should be based on the services described in Section III. If you would like to offer any additional services beyond those listed in Section III, please list the proposed fees and hours for those separately.

Your fee should assume an initial appointment as noted in Section IV(f) from June 1, 2026 through July 31, 2028 (this term may change through mutual agreement between CTAP and the selected applicant).

Separately, please also provide an optional fee reflecting services you might believe are necessary related to Section IV(g) with respect to 2026 conference planning. This would be in addition to the full appointment described in Section IV(f).

*Note: CTAP has very limited experience in reviewing fee proposals for association management services.*

*Therefore, if you feel it would be more appropriate to present your fee in a format different from that which is described in the preceding paragraph, please communicate that to the CTAP's designated RFP contact person in Section I(g) before submitting your proposal.*

**PA COUNTY TREASURERS' ASSOCIATION**  
**76th ANNUAL CONVENTION**

Welcome one and all to the 76th Annual County Treasurer's Convention here in Wilkes-Barre PA!

Wilkes-Barre is framed by the beautiful Pocono Mountains to the east and the Endless Mountains to the west with the majestic Susquehanna River flowing through the center. It is also known for its state parks and the Lehigh River Gorge. Also known as the Wyoming Valley it is known for a very rich history in anthracite coal mining which is responsible for bringing a very diverse culture to the area. At one time the Wyoming Valley held the title of having the largest anthracite coal field in the US.

As we gather together this week I am certain that the friendships that were formed the very first convention that you attended will continue to deepen each and every year that we meet. Personally I have formed some relationships that will be with me forever...long after I leave this amazing group... as I am sure there are many of you in agreeance with me.

I am certain the hostess and her committee have an unforgettable week planned for us all so to all of the new treasurers this year I would suggest that you embrace this group and I pray that as you make new friends they will be as valuable to you as I have found. Remember the saying 'Make new friends and keep the old...Some are silver and the others gold'. I challenge each of you to add to you 'silver list' this year.

God Bless each and every one of you!

Please see the PSDLAF Information Statement for complete details on all PSDLAF products and services. Up to 100% of the assets within the Term Series II Portfolios may be invested in commercial paper, negotiable certificates of deposit, and/or bankers' acceptance securities. Since PSDLAF and its service providers cannot monitor investments outside the Fund, the Settlor is responsible for ensuring that any investments outside Term Series II do not cause the Settlor's total investment holdings to exceed diversification limits established by its Investment Policy. As a result, neither PSDLAF nor its service providers, including the Investment Advisor or Distributor, are responsible for ensuring Settlers meet diversification requirements across their total investment portfolio.

\*The rating is based on Standard & Poor's analysis of the fund's credit quality, market price exposure and management. The rating signifies excellent safety of invested principal and a superior capacity to maintain a \$1.00 per share net asset value. However, it should be understood that the rating is neither a "market" rating nor a recommendation to buy, hold or sell securities.

## Cindy Creveling, President

Columbia County is a 6th class county with an estimated population of just over 13000 and 490 sq miles with 7 being water.. We are found in North-eastern PA and some of our nationwide interests include The Bloomsburg Fair...The (formerly) Bloomsburg University and (currently)after merging with Lock Haven University and Mansfield University to now become The Commonwealth University

of PA. A 'funfact' concerning our university is that is has in the past (2006) been voted the Best Party College in the nation. Since March 4 1870 Bloomsburg has held the distinction of being the only town in PA.

I have had the pleasure of being Columbia County Treasurer since 2016. I started in the treasurers office as Deputy Treasurer and served in that role for 3 years before becoming Treasurer. It has truly been an exciting time and I have learned so much all while being able to say that I have an amazing staff. I have come to appreciate the entire Treasurer group as they are in my opinion one of the best groups to work with! You truly feel as though you are part of their family as soon as you meet them. Friends like these are rare and a true gem.

I also have an amazing family which consists of my husband of 47 years, Gerry and a daughter Tiffany; a son in law Christian and 3 grandchildren Aiden, Brayden and Drew. We also work together as a family and own and operate a racetrack for the past 46 years. That has truly been a blessing while we met so many great people from all over the East coast. Three years ago we decided we were not busy enough so an opportunity came up to serve our community and we opened Millville Farm Market and Creamery. We strive to have as much local product as we can and currently we have over 30 local vendors with everything from Fresh cut meat to a deli where we make a lot of our own salads and puddings which keeps our children very busy!

I am looking forward to being your President of the Treasurers Association...I think...and in doing that I will lean on my predecessors quite heavily. I am looking forward to the convention for a great time in getting to know the newer treasurers and catching up with all of the 'oldie goldies'.

## **Erica Rocchi Brusselars, Second Vice President**

Allegheny County Treasurer Erica Rocchi Brusselars has been serving since 2024. She is transforming the work of the Treasurer's Office with a focus on transparency, modernization, and collaboration. She serves as the President of the Retirement Board of Allegheny County and the 1st Vice President of the County Treasurers' Association of Pennsylvania (CTAP). With a prior career as a private-sector,

consulting pension plan actuary, she brings an analytical mind, a passion to communicate for understanding, and the ability to lead modernization and streamlining projects. Treasurer Brusselars holds a BS in Mathematics with a minor in Gender Studies from Carnegie Mellon University and an MA in Curriculum & Instruction from The University of Mississippi.

Treasurer Brusselars was the keynote speaker at Chatham University's PA Center for Women & Politics 2025 Ready to Run non-partisan program to equip women to run for office.

Allegheny County has 1.25 million residents, 590,000 property parcels, 130 municipalities (including the City of Pittsburgh), and 46 school districts.

## **Diane R. Marburger, Treasurer**

Diane R. Marburger was first elected Butler County Treasurer in 1999. Treasurer Marburger is an honors graduate from IUP with a degree in finance and MIS and worked for Mellon Bank for 20 years. She holds the credentials of Certified Treasury Professional from the Association for Financial Professionals. She serves on the Butler County Retirement Board and Salary Board. She has served as the

CTAP treasurer since 2016 and is a two-term past president. She is a graduate of the Anne Anstine Excellence in Public Service and Leadership Butler County programs. She is a Distinguished Alumni Inductee for Butler County Community College. She is an elder at her church and currently serves as deacon and treasurer for the athletic ministry. She resides on a 170 acre farm and enjoys gardening, canning, and watching her grandsons grow.

## Kimberly McCullough, Secretary

Kimberly McCullough has served as Indiana County Treasurer since 2018. Previously, she was an Elected Indiana County Auditor for two years. McCullough graduated with her Master's Degree in Public Affairs with concentrations in State & Local Government Management and Employment Labor Relations from Indiana University of Pennsylvania. Likewise, McCullough earned her Bachelor's Degree from the same university, majoring in Political Science/ Pre-Law with a minor in Journalism. Currently, McCullough is the mother of three beautiful children: Jeffrey III, Jaidyn and Jacquelynn. McCullough is very active with her kids' activities, including Treasurer of both PTA and Pee Wee Cheerleading Boosters. McCullough is the leader of three Girl Scout Troops and is the Director of the Indiana County Girl Scout Day Camp. Other activities include being Vice President of Kiwanis Club of Indiana County, Secretary of the Indiana County Republican Committee, on her church council, Treasurer of The Brush Valley Antique Iron and Power Club (Tractor Club), Cub Scout/ Boy Scout den mom and active member of her weekly dart league. In 2021, she took on the role of Secretary of the County Treasurers' Association of PA and in 2024 McCullough became Secretary of the Pennsylvania State Association of Elected County Officials.

BY-LAWS  
OF THE  
COUNTY TREASURERS' ASSOCIATION OF  
THE COMMONWEALTH OF PENNSYLVANIA  
(As Amended & Updated June 2024)

VISION:

The vision of the County Treasurer's Association of Pennsylvania (CTAP) is a commitment to promoting excellence, professionalism, and collaboration in the field of treasury management, while safeguarding the financial interests of our communities.

MISSION:

To bring into closer association and cooperation the County Treasurers of the various counties, to secure more uniformity and cooperation in the conduct of their offices; to improve their services to the public; to discuss potential legislation with Senators, Representatives, other state Associations, or other governmental agencies; and for the general benefit and mutual welfare of the different County Treasurers' office and of the citizenry of the Commonwealth.

## Article I. Name

The name of this Association shall be, "COUNTY TREASURERS' ASSOCIATION OF THE COMMONWEALTH OF PENNSYLVANIA."

## Article II. Purpose

The purpose of the CTAP shall be to bring into closer association and cooperation the County Treasurers of the various counties, to secure more uniformity and cooperation in the conduct of their offices; to improve their services to the public; to discuss potential legislation with Senators, Representatives, other state Associations, or other governmental agencies and for the general benefit and mutual welfare of the different County Treasurers' offices and of the citizenry of the Commonwealth.

## Article III. Membership

Any person holding the office of county treasurer of the Commonwealth, or equivalent office, under County Home Rule Charter, the elected or appointed officer may become an active member during such term(s) in office subject to the payment of the prescribed dues. An active member in good standing, having satisfied the annual membership dues is eligible to hold an elected or appointed position within the CTAP and be privileged to have a vote on matters of business.

## Article IV. Officers and Executive Committee

The affairs of the CTAP shall be conducted by a President, two Vice-Presidents, one to be chosen as First Vice-President and the other as Second Vice-President, a Secretary, and a Treasurer, all of whom must be active members, subject to the instruction of an Executive Committee, consisting of the out-going President and the elected trustees who shall be elected with said officers at the annual meeting. The President, First Vice-President and Second Vice-President each to hold office for a term of one year. The Secretary, Treasurer and trustees each to hold office for a term of two years, until the next election pending which they shall have all the rights and privileges of active member.

Any vacancy in the office of Secretary or Treasurer or Regional Trustee shall be filled by the Executive Committee until their successor is duly elected at the next annual meeting or until the regional trustee's term expires. In the event of a vacancy of the President, the First Vice President will become the President and assume those duties. The Second Vice President will become the First Vice President.

## Article V. Annual Meeting

The CTAP shall hold an annual meeting, the date of said meeting to be determined by the Executive Committee. All meetings of the CTAP will be governed under Roberts Rules of Order.

Representation at the annual meeting will be by the elected County Treasurer or equivalent officer under a Home Rule Charter. In the event any County Treasurer or equivalent officer under a Home Rule Charter, who is in good standing, is unable to attend an annual or special meeting, such members may select a deputy to represent same. The representative shall have full power to vote at such meeting and to enjoy all the benefits thereof, and such absence of such County Treasurer shall not disqualify that Treasurer from election to any office or appointment to any committee. If a member sends more than one representative they shall be entitled to cast only one vote.

## Article VI. Special meetings

Special meetings may be called at any time or place by the President or upon request of a majority of the Executive Committee, but no business shall be transacted except that specified in the notice thereof, which shall be emailed by the Secretary to each member of the CTAP at least five days in advance of such meeting.

The CTAP may hold additional meetings within the state, including a Spring and a Fall meeting. The quantity, time, and place shall be at the discretion of the Executive Committee.

## Article VII. Elections

All elections shall be by ballot; if there be more candidates nominated for any office or places than the number to be elected, the President shall appoint at least two Tellers to receive and count the ballots and report the votes cast for each candidate. It shall require a majority vote of the members present and qualified to vote to elect any officer and additional ballots shall be taken, if necessary, to secure a majority rule when required hereby. Only members in good standing shall be entitled to vote, except authorized representatives of active members as provided in Article V.

## Article VIII. Quorum

Fifty-one percent of members active and in good standing, shall constitute a quorum for the transaction of business at any session of annual, special, or additional meetings, provided that the President or one of the Vice-Presidents conducts the proceedings after due notice of the time and place of the same, which may be given at any previous session of which all members of the CTAP receive notice by email, as hereinbefore provided. A simple majority of the quorum in attendance will decide the vote.

## Article IX. Roll calls

On all questions or motions, except the elections of Officers and other members of the Executive Committee where ballots are required, the votes of the members in good standing may be taken viva- voce, but when at least ten of such members demand a recorded vote, the Secretary shall call the roll and demand a yea and nay vote and announce the results as entered on the minutes, but the individual votes need not be published in the record of proceedings.

## Article X. Executive Officer Rotation

It is the intent of the CTAP to rotate the office of the President among the four regions of the Commonwealth. Therefore, the Second Vice President will be elected from a rotating region each year. However, in the event this is not possible, the CTAP may suspend the rotation during that session and select a Second Vice President from another region.

## Article XI. Dues

The County Treasurers' annual county assessment for dues shall be payable before April first of each year to keep members in good standing for the balance of the year. Any members in arrears will not be entitled to any privileges or benefits of membership unless restored in good standing by the Executive Committee, in its discretion, upon payment of delinquent dues within six months after a default.

## Article XII. Duties of officers

### President

The President of the CTAP shall preside over all meetings and shall have the right to call the annual meeting, designating the time for said meeting at least thirty days before the date fixed for same. The President shall appoint the members of the Legislative Committee and all other

committees for which any need shall arise, taking into consideration at all times representatives from the various classes of counties. By virtue of the office, the President shall have a place and membership of any and all committees of the CTAP

#### First Vice-President

In the absence of the President, or the President's inability to preside over the meeting for the CTAP or fulfill the duties, the duties herein before prescribed to the Office of the President shall be performed by the First Vice-President.

#### Second Vice-President

In the absence of the First Vice-President, or the First Vice-President's inability to fulfill the duties, the duties herein before prescribed to the Office of the First Vice-President shall be performed by the Second Vice-President.

#### Treasurer

The Treasurer shall attend all meetings of the CTAP and of the Executive Committee and shall collect all dues and other money owing or accruing to the CTAP from any person and deposit same in a bank to be approved by the Executive Committee in an official account kept in the name of the CTAP. The Treasurer shall keep accurate records of all money received and shall honor and pay all invoices as received. The Treasurer shall give to the CTAP good and sufficient bond, with a surety company as surety, in such amount as the Executive Committee may designate, said bond and the surety thereon to be approved by the said Executive Committee, the obligation of which bond shall provide for faithful accounting of all funds of the CTAP. The premium on the Treasurer's bond shall be paid by the CTAP. The Treasurer shall make a report of monies received and disbursed to the Executive Committee and read a summary thereof at any business session of the annual meeting. All drafts, checks, and negotiable documents shall require dual signatures; one of the Treasurer and one of another CTAP officer.

The Treasurer's books and accounts shall be audited on a calendar year basis, by an internal auditor or audit team as appointed by the President. The annual auditor or audit team will rotate among the membership without the individual(s) serving consecutive annual audits. If a discrepancy is discovered, the President may request an external auditor to audit the CTAP records. The Treasurer shall prepare on a calendar year basis a financial statement of the receipts and disbursements of the CTAP showing the beginning and ending balances of the investments, savings accounts, and checking accounts. A copy of the financial statement shall be given to each member.

The Treasurer shall be compensated for these services by the CTAP; in addition to this, the Treasurer will be compensated for necessary expenses agreed upon by the Executive Committee as well as traveling expenses when required to perform duties away from home. Any term or provision of any other by-law inconsistent with this article is hereby rescinded.

### Secretary

The Secretary shall attend all meetings of the CTAP and of the Executive Committee and keep fair minutes of their proceedings and carry on all necessary correspondence for them. The Secretary shall give required notices of annual and special meetings of the CTAP. The Secretary shall be the custodian of the bond for the Treasurer and other bond or bonds given to secure the funds of the CTAP.

The Secretary shall be compensated for these services by the CTAP. In addition, the Secretary will be compensated for necessary expenses agreed upon by the Executive Committee as well as traveling expenses when required to perform duties away from home.

### Article XIII. Executive Committee

In addition to the various powers and duties hereinbefore delegated to the Executive Committee, it shall hold a regular session prior to the opening of the first business session of the annual meeting, before any meeting of the CTAP itself, and consider all resolutions previously submitted to the Secretary, Treasurer, or President, and recommend those of greatest importance or benefit for immediate action by the CTAP, and pass all reports of officers and outstanding bills. The President may call meetings of the Executive Committee at such time or places as the interest of the CTAP may require between the annual meetings shall be called whenever required by a majority of the committee.

The Executive Committee shall consist of the following: President, First Vice-President, Second Vice-President, Secretary, Treasurer, and Five Trustees.

### Trustees

The Board of Trustees shall consist of five members. One, the immediate Past President, shall serve a one-year term. Each regional district, by majority of votes cast by Treasurers of said region, shall elect one of its own members to a two-year term. Trustees from the Northeastern and Southwestern regions shall be elected in odd years; Trustees from the Northwestern and Southeastern regions shall be elected in even-numbered years. Each Trustee shall be limited to one (2-year) term during each four years; a Trustee may serve multiple terms but may not serve consecutive terms. (By-law change June 14, 2012.)

The newly elected Executive Committee shall also meet as soon as convenient after the annual meeting to arrange for the next annual meeting.

The newly elected Executive Committee shall vote on the salaries of all persons paid by the CTAP each year following the annual meeting.

#### Article XIV Executive Director

In addition to the officers of the CTAP, as authorized pursuant to its by-laws, the CTAP may employ an Executive Director who shall serve at the pleasure of the Executive Committee. The Executive Committee shall interview for any opening of the Executive Director position of the CTAP. The Executive Committee shall appoint and hire said Executive Director by majority vote of the Executive Committee. The Executive Director shall conduct such business of the CTAP as is authorized by the Executive Committee according to the policies, regulations, Constitution and by-laws of the CTAP, and other guidelines as set forth herein, and in the job description for Executive Director as set forth by the Executive Committee.

The Executive Committee, by majority vote, shall set the salary and benefits of the Executive Director position. (By-Law addition June 2022)

#### Article XV. Legislative committee

There shall be a Legislative Committee consisting of at least six members, to be appointed by the President to serve until the annual election, for the purpose of securing new or remedial legislation which may be desirable for the benefit of County Treasurers or opposing any proposed laws detrimental to them or to the interest of the public. Such committee shall meet upon the say of the chairman, to be designated by the President, or at the request of any four members thereof.

#### Article XVI. Dog Law Advisory Board

The President will nominate one member and one alternate, both of whom shall serve at the wishes of the President. (By-law change approved June 16, 1989.)

#### Article XVII. Amendments

No amendment to this constitution and by-laws shall be made except by written resolution adopted by two thirds votes of all members in good standing present at any business session on the last day of any annual meeting after at least two days prior notice of the proposed amendment to the Executive Committee, or written waiver of such notice attached to such resolution by at least five members of said committee holding office prior to the annual election on such day or at any special meeting called by the Executive Committee to consider such proposed amendment after due notice thereof to all members of the CTAP.

## Article XVIII. Liability and Indemnification

### Section 1. Liabilities.

An officer or member of the Executive Committee shall not be personally liable for monetary damages including, but not limited to, any judgment, amount paid in settlement, penalty, punitive damages or expense of any nature including, but not limited to, attorneys' fees and disbursements, for any action taken, or any failure to take any action unless the officer or member of the Executive Committee has breached or failed to perform the duties of his or her office under these Bylaws or applicable provisions of law, and the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness. The foregoing limitation of liability shall be retroactive to the fullest extent permitted by law. This exemption from liability shall not apply to the responsibility or liability of any person pursuant to any criminal statute or for the payment of taxes pursuant to local, state or federal law. The provisions of this Article shall be deemed to be a contract with each officer or member of the Executive Committee who serves as such at any time while this Article is in effect, and such provisions are cumulative of, and shall be in addition to and independent of, any and all other limitations on the liabilities of officers or members of the Executive Committee of the CTAP, as such, or rights of indemnification by the CTAP to which an officer or member of the Executive Committee may be entitled, whether such limitations or rights arise under or are created by any statute, rule of law, bylaw, agreement, vote of disinterested committee members or otherwise. Each person who serves as an officer or member of the Executive Committee while this Article is in effect shall be deemed to be doing so in reliance on the provision of this Article. No amendment to or repeal of this Article, nor the adoption of any provision of these bylaws inconsistent with this Article, shall apply to or have any effect on the liability or alleged liability of any officer or member of the Executive Committee for or with respect to any acts or omissions of such officer or member of the Executive Committee occurring prior to such amendment, repeal or adoption of an inconsistent provision. In any action, suit or proceeding involving the application of the provisions of this Article, the party or parties alleging the right of an officer or member of the Executive Committee to the benefits of this Article shall have the burden of proof. If the Pennsylvania Consolidated Statutes are hereafter amended to authorize the further elimination of the liability of CTAP fiduciaries, then the liability of an officer or member of the Executive Committee, in addition to the limitation on personal liability provided herein, shall be limited to the fullest extent permitted by the amended Pennsylvania Consolidated Statutes.

### Section 2. Indemnification.

Any officer or member of the Executive Committee who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding (hereinafter a "proceeding"), whether civil, criminal, administrative or investigative, including, without limitation, an action or suit by or in the right of the CTAP, by reason of the fact that he or she is or was an officer or member of the Executive Committee, or was serving at the request of the CTAP as an officer or member of the Executive Committee of another subsidiary or related corporation, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as an officer or member of the Executive Committee or in any other capacity, shall be indemnified and held harmless by the CTAP to the fullest extent and manner authorized or permitted by the laws of the Commonwealth of Pennsylvania, as the same exist or may hereafter be amended (but, in

the case of any such amendment, only to the extent that such amendment permits the CTAP to provide broader indemnification rights than said law permitted the CTAP to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, penalties, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith, and such indemnification shall continue as to a person who has ceased to be an officer or member of the Executive Committee and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that, except as provided in subsection (d) hereof, the CTAP shall indemnify any such person seeking indemnification in connection with a proceeding initiated by such person only if such proceeding was authorized by the Executive Committee of the CTAP. The right to indemnification conferred in this Section shall be a contract right and each person to whom this right to indemnification applies shall be a third-party beneficiary of such right and shall be entitled to enforce against the CTAP all indemnification and other rights granted to such person by this Section. Such right shall include the right to be paid by the CTAP the expenses incurred in any such proceeding in advance of its final disposition; provided, however, that, if the laws of the Commonwealth of Pennsylvania require, the payment of such expenses incurred by an officer or member of the Executive Committee in advance of the final disposition of a proceeding shall be made only upon delivery to the CTAP of an undertaking, by or on behalf of such officer or member of the Executive Committee to repay all amounts so advanced if it shall ultimately be determined that such officer or member of the Executive Committee is not entitled to be indemnified under this Section or otherwise. Each person who serves as an officer or member of the Executive Committee of the CTAP while this Section is in effect shall be deemed to be doing so in reliance on the provisions of this Section.

The CTAP may, by action of the Executive Committee, provide indemnification to employees, agents, fiduciaries and other representatives of the CTAP or to any person who is or was serving at the request of the CTAP as an employee, agent, fiduciary or representative of another subsidiary or related corporation, joint venture, trust or other enterprise, including service with respect to any employee benefit plan, with the same or lesser scope and effect as set forth herein and in the other subsections of this section. If and to the extent that the laws of the Commonwealth of Pennsylvania require that indemnification be provided in a given instance only if the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the CTAP and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful, then termination of any proceeding by judgment, order, settlement, conviction, or upon plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the CTAP and, with respect to any criminal proceeding, that he or she had reasonable cause to believe that his or her conduct was unlawful. Termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not of itself be a determination by a court that the act or failure to act giving rise to a claim for indemnification constituted willful misconduct or recklessness.

Indemnification under subsection (a) above shall be made by the CTAP unless a determination is reasonably and promptly made that indemnification of an officer, member of the Executive Committee, employee, agent, fiduciary, volunteer or other representative is not proper in the

circumstances because of grounds for denying indemnification under this Section or under the applicable law. Such determination may be made only (i) by the Executive Committee by a majority vote of a quorum consisting of members of the Executive Committee who were not parties to such proceeding (“disinterested committee member”), or (ii) if such quorum is not obtainable, or even if obtainable, if a quorum of disinterested committee members so direct, by legal counsel, in a written opinion.

Notwithstanding any other provisions of this Section, to the extent that an officer, member of the Executive Committee, employee, agent, fiduciary, volunteer or other representative has been successful on the merits or otherwise in defense of any proceeding referred to in subsection (a) above or in defense of any claim, issue or matter herein, he or she shall be indemnified against expenses (including attorneys’ fees) actually and reasonably incurred by him or her in connection therewith.

If a claim under subsection (a) of this Section is not paid in full by the CTAP within thirty days after a written claim has been received by the CTAP, the claimant may at any time thereafter bring suit against the CTAP to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the CTAP) that the claimant has not met the standards of conduct which make it permissible under the laws of the Commonwealth of Pennsylvania for the CTAP to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the CTAP. Neither the failure of the CTAP (including its Executive Committee or legal counsel) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the laws of the Commonwealth of Pennsylvania, nor an actual determination by the CTAP (including its Executive Committee or legal counsel) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

The rights to indemnification and the payment of expenses incurred in a proceeding in advance of its final disposition conferred in this Section shall not be exclusive of any right which any person may have or hereafter acquire under statute, Bylaws, agreement, vote of disinterested committee members, or otherwise.

The CTAP may maintain insurance, obtain a letter of credit, act as self-insurer, create a reserve, trust, escrow, cash collateral or other fund or account, enter into indemnification agreements, pledge or grant a security interest in any assets or properties of the CTAP or use any other mechanism or arrangement whatsoever in such amounts, at such costs, and upon other terms and conditions and the Executive Committee shall deem appropriate, at its expense, to protect itself and any officer, member of the Executive Committee, employee, agent, fiduciary, or representative of the CTAP or another subsidiary or related corporation, joint venture, trust or other enterprise, against any expense, liability or loss, whether or not the CTAP would have the power to indemnify such person against such expense, liability or loss under the laws of the

Commonwealth of Pennsylvania.

No amendment or repeal of this Section shall reduce, terminate or otherwise adversely affect the right of a person who is or was an officer or member of the Executive Committee to obtain indemnification or advancement of expenses with respect to a proceeding that pertains to or arises out of action or omission that occur prior to the effective date of such amendment or repeal, which date cannot be retroactive.

#### Article XIX. Authorization & dissolution

CTAP is authorized by Pennsylvania State Statute, Section 440 and 441 Public Law 323, "THE COUNTY CODE," of August 9, 1955, and as updated by the Pennsylvania State legislature, for educational purposes; to discuss and resolve the various questions arising in the discharge of the duties and functions of our respective offices, and to provide uniform, efficient, and economical methods of administering the affairs of the counties in so far as they relate to the County Treasurer.

No part of the net earnings of the CTAP shall inure to the benefit of, or be distributable to its members, trustees, committee members, officers, or other private persons, except that the CTAP shall be authorized and empowered to pay reasonable compensation for services rendered, and to make payments and distributions in furtherance of CTAP's purposes. No substantial part of the activities of the CTAP shall be the carrying of propaganda and the CTAP shall not participate in the publishing or distributions of statements of any political campaigns on behalf of or in opposition to any candidate for public office. Notwithstanding any other provisions of these By-laws, the CTAP shall not participate in the publishing or distribution of statements of any political campaigns on behalf of or in opposition to any candidate for public office. Notwithstanding any other provisions of these By-laws, the CTAP shall not carry on any activities not permitted to be carried on by an organization exempt from Federal Income Tax under proper current or future IRS Code Regulations.

Furthermore, in the event the Laws authorizing the creation of the CTAP and its funding are repealed by the Legislature, this CTAP will be disposed as according to the Laws of the Commonwealth of Pennsylvania, and no funds shall be distributed to the members.

## **CTAP RFP: Membership Association Management Services**

### *Questions & Answers*

*Issued March 18, 2026*

#### **Membership & Data**

1. *What is the historical maximum number of CTAP members?*

There are 67 counties which is the maximum number of counties that could participate. Typically, 65 or 66 do.

2. *Are membership renewals conducted annually on a fixed date, or do they occur on a rolling basis throughout the year? Are there any active recruitment or retention efforts for the association?*

Renewals are sent in late December and due by April 1.

3. *What platform or system is currently used to manage membership data and the membership directory?*

Membership is currently managed via an excel spreadsheet.

4. *Does CTAP track any additional membership segmentation or classification beyond Pennsylvania counties?*

Currently only counties are eligible to participate. We have added the By-Laws to the RFP materials under Appendix E.

#### **Board Operations & Governance**

1. *What standard reports does the Board receive for its monthly meetings (e.g., financials, membership reports, activity summaries)?*

Usually in-person meetings have a report from the Treasurer, and an agenda written by the President. Our monthly zoom check-ins are currently rather informal and often do not have a quorum.

2. *Confirming board meets monthly and it is only virtual?*

Yes, all monthly meetings are virtual. The only time the board meets in person is during the in-person seminars and conferences.

3. *Would CTAP be able to provide a sample Board meeting agenda?*

Yes, we added it to the RFP materials.

4. *Approximately how many member support inquiries (email and phone) does CTAP receive each week?*

Currently inquiries are disbursed, so we don't have consolidated data on this. The Treasurer would receive inquiries about membership dues, the Secretary about the spring and fall seminar, the annual host about the Summer Conference. Other questions might be sent to the CTAP email list, posted on our membership website discussion board, or asked of a board member.

5. *Does CTAP currently have any type of multi-year strategic plan, strategic priorities, or documented long-term goals?*

No, we do not have a multi-year strategic plan, strategic priorities, or documented long-term goals.

6. *What is the nomination and election process for CTAP Board positions (frequency, eligibility, calls for nominations, voting procedures)?*

Currently we have a one-person nominating committee. Calls for nominations and the vote occurs on the third day (Thursday) of the annual Conference. The voting procedures are in the By-Law (which are included in Appendix E of the RFP).

## **Committees**

1. *Confirming CTAP's existing subcommittees is 12?*

There are two subcommittees required by the By-Laws, which are the Legislative committee and the Dog Law Advisory Board. All others are at the direction of the President. There are several committees listed on the website, but most are inactive.

2. *Do any committees have standing workplans, charters, or annual goals?*

No committees have standing workplans, charters, or annual goals.

## **Technology**

1. *Does CTAP hold any current contracts for technology platforms (e.g., email marketing tools, membership database, CRM platform, survey platforms, event technology)? What platform is the CTAP website built on (e.g., WordPress, Squarespace, custom CMS)?*

CTAP does not currently uses any paid or free marketing, membership, CRM, survey, or event technologies. CTAP uses theWebProjects for their website which includes a member-only accessible section with forums and documents.

## **Marketing & Communications**

1. *Who currently manages CTAP's social media platforms, and which platforms are actively in use?*

Currently there are no CTAP social media platforms.

2. *Does CTAP publish a periodic newsletter? If so, how frequently and who produces the content?*

CTAP does not currently publish a periodic newsletter.

3. *Does CTAP currently have an annual marketing plan?*

In terms of vendor revenue, the volunteer lead on the annual Conference currently gets the prior year vendor list and then reaches out to those vendors and any additional that are suggested. In terms of marketing to County Treasurers or other organizations, there is not a plan or organized outreach.

4. *Who currently manages general content updates to the website and communication materials?*

The prior CTAP Treasurer Diane Marburger had been the force behind the website revitalization. Currently we do not have a full successor identified, but the current Secretary of CTAP, Kimberly McCullough, has access to the organization's website to make general content updates.

## **Financial**

1. *Can CTAP provide its annual transaction volume, including a breakdown of payables and receivables?*

We provided the annual spending information in Appendix D.

2. *Where does CTAP see the most significant opportunities for future revenue growth (e.g., sponsorships, educational programming, membership expansion)?*

Currently vendor sponsorships appear to be the best opportunity for revenue growth.

## **Meetings & Events**

1. *Can CTAP provide historical attendance numbers and trends for the Annual Conference, Spring Seminar, and Fall Seminar for the past 3–5 years?*

Since 2020, the average number of attendees for the Annual Conference has been between 50-60 people.

2. *Confirming how many days each event is?*

Seminars are generally on a Tuesday or Wednesday with the Board dinner and meeting the night before. This spring we're trying this format with the Board meeting in the afternoon the day before, and an evening reception for members attending and staying overnight.

Annual Conference programming is typically Tuesday 3pm – Friday 11am

3. *Confirming how many exhibition booths are typically at the Annual Conference?*

On average, there are 10-15 booths at the annual conference.

4. *Confirming that the Spring and Fall Seminars do not contain exhibition booths?*

The Spring and Fall Seminars do not contain exhibition booths. Historically these events have not had sponsors.

5. *Has CTAP previously worked with an Association Management Company or utilized other services beside volunteers? If so, when and in what capacity?*

CTAP has not previously worked with an Association Management Company or utilized any management services. The ability to do so was added to the By-Laws a few years ago.

## **Budget**

1. *Could CTAP please provide guidance regarding the anticipated budget range or historical spending level for association management services? Understanding CTAP's expected investment for this engagement will help us structure a fee proposal that is both realistic and aligned with the Association's financial parameters.*

CTAP has not had association management services in the past. The proposing entity should be clear about the value proposition as well as areas they believe that additional revenue could be earned or grown or expenses cut to support such fees.

## **Near-term Considerations**

3. *Regarding the summer conference, will CTAP volunteers be available for staffing, or does the organization expect to have it fully staffed by the vendor? Also, could you*

*provide more details on the pre-conference and in-person support anticipated in 2026?*

For the 2026 summer conference, at this point we are expecting it to be run as in prior years, fully by volunteer members. If our selected vendor is able to provide any support for it or have a staff member attend, we would be happy to discuss and negotiate that during the contracting process.

For conferences after 2027, the goal would be that logistics (contracting, scheduling venue visits by the local Treasurers, liaising with vendors & hotel before and during the conference, managing overall conference details) would be managed by the selected AMS vendor/person and CTAP members could be available for volunteers shifts, etc. as needed/planned.
