

PA COUNTY TREASURERS' ASSOCIATION

77th ANNUAL CONVENTION

Welcome one and all to the 77th Annual County Treasurer's Convention here in Coudersport PA!

Coudersport is a small-town community and the county seat of Potter County, Pennsylvania, known for its scenic beauty (known as "God's Country"), abundant outdoor activities (fishing, hunting, camping, hiking, kayaking, and snowmobiling), and historic Victorian architecture from its day as a lumber boomtown. As the gateway to Pennsylvania's Wilds, it offers attractions like Cherry Springs State Park (This Gold Level Dark Sky Park is a major draw for stargazers), the unique Coudersport Ice Mine (A natural wonder where ice forms in summer and melts in winter, a unique and popular attraction), the Potter County Historical Society Museum, and the Coudersport Arboretum (A memorial garden with trees, benches, and a "wall of honor" for military personnel).

As we gather this week, I am certain that the friendships that were formed at the very first convention that you attended will continue to deepen each year that we meet. Personally, I have formed some relationships that will be with me forever...long after I leave this amazing group... as I am sure there are many of you in agreeance with me.

I am certain the hostess and her committee have an unforgettable week planned for us all so to all of the new treasurers this year I would suggest that you embrace this group and I pray that as you make new friends, they will be as valuable to you as I have found. Remember the saying 'Make new friends and keep the old...Some are silver and the others gold'. I challenge each of you to add to your silver list this year.

God Bless each one of you!

Cindy Creveling
